## Experience

PROCESS OFFICER / **NORDEA**

16/02/15 – 30/12/16

Main responsibilities include legal helpdesk regarding FATCA, CRS and US restriction regulations for booth customers and branch colleagues. I was also responsible for updating process documentation and knowledge sharing. Training new colleagues was also one of my tasks. In addition I was a member of Department Nordic Communication Team and person responsible for creation and administration of SharePoint and site design. Additional team task was translating & IT support for team members and my leader.

Internship / **SWEDBANK**

01/08/14 – 30/12/14

Main areas of responsibility included presenting new digital bank services, apps for individuals and entities with new features and preparing presentations regarding this topics. Providing customers in extended internet service, contacting and booking meetings with appropriate Swedbank units. Introducing concept of: Unga jobb for students and answering on their questions about banking services. During 5 months internship I additionally worked 1 month part time in front office. I've been working in different Offices in STHLM for great technical presentation for customers.

SALES PREMIUMPENSION / **SUMER+**

01/05/14 -26/07/14

Worked as a Sales personnel and sold premium pension with a custodian to the customer, presented them their current bank/state interests rate on their premium pension and propose sumer's low interests rate in addition statistic of potential growth and %. We're emailing them incoming volume and informing them about premium pension status.

ENTREPRENEUR / **YUMP ACADEMY**

16/08/13 -26/03/14

Worked in a competition during my studies. Within the competition, everybody is working with their ideas and we also collaborated together so we can manage to open our own start-up company and see if our ideas is realistic or not in the industry. If the idea is not realistic in the market, we cooperate and try to make others realistic ideas who have potential to be started. We analyze the market, costs, productivity, patent, licenses, design, brand, business procedure and company structure. We split the work and divided our tasks suiting for our experience and knowledge.

## About me

My name is Christoffer Lemus Bustamante, born and raised in Stockholm, Sweden. I'm multilingual as I speak & write in Swedish, Spanish and English. I'm very ambitious person who's working constantly to improve and excel in my working habits. I have studied IT & Entrepreneurship which is some of my interests. I also like to program, meet new/current friends and travel. I'm also writing a book and selling specific leather strap for pocket watch and creating other product as side hobby. I schedule this in my own time so it doesn't influence on my work or other conveniences. I'm currently working in Nordea Bank as Process Officer But now I'm searching for new challenges!

## Goals

My goal is to work with experienced colleagues and achieve success and knowledge in the workplace and help customers and companies.

## Interests

Startups  
Latest tech
